

World Poetry Cafe August 20 Kevin Morris and Victor's Birthday

A special Cafe with Kevin Morris as cohost, but it is also Victor's 81st birthday! We feature callers from all over the world calling in to wish Victor a great day, plus Ariadne reading happy wishes from listeners! Also stories and poetry from Kevin Morris, who reads from his new book, *Shadows and Birdsong*. Plus more from Sharon Rowe, Kelly Montgomery and Victor! A fun show, ending with Robert Frost!
