

World Poetry Cafe May 7 2026 with Ed Woods and Rebecca  
Clifford

This is the extended version of the CFRO FM, Vancouver, 57 minute broadcast. This version runs over one hour, eighteen minutes. Some audio difficulties which I did my best on. This is Ed's first time as an interviewer, and he interviews his friend and guest, Rebecca Clifford. You likely have not heard of her, she has been published in quarterlies and anthologies, but is a fine reader!! Great interview and Cafe!!!
